The Muhyideen College of Education, Ilorin was established by edict 21 of 2005 issued by the Muhyideen Association of Nigeria. Its purpose is to organize and develop courses for the training of various categories of teachers, to promote research, and advance knowledge and learning as well as offer community services.

The College has a Governing Council, made up of eleven members. The council is responsible for general supervision and control of the College.

There is a Provost for the College. He is the administrative and academic head of the College. He is responsible for the execution of policy decisions of the council. The Provost is assisted by a Deputy Provost, appointed by the Governing Council.

The College Registrar, Bursar, Librarian and Director of works are the other Principal Officers of the college. Appointed by the College Council, they assist the Provost in the running of the affairs of the College.

The College has an Academic Board, with the Provost as the chairman. He is supported by the Deputy Provost, Deans of Schools, Directors of Units/Centres, Heads of Departments and all Chief Lecturers (who are not Deans or directors or Heads of departments). The Academic Board assists the Provost and the Council on the direction and management of academic matters, the student's regulations, and awards of certifications.

The College was granted provisional approval by the National Commission for Colleges of Education (NCCE) Abuja in 2007, to produce classroom teachers for the primary and junior secondary schools in all subjects approved by the NCCE.

PHILOSOPHY AND OBJECTIVES OF THE COLLEGE

The College was established to prepare and produce the much needed middle level manpower in the teaching cadre. The graduates of the college will provide qualitative and quantitative education, good morals to pupils in the primary schools and students in the junior secondary Schools. To motivate both the staff and the students of the College, the motto adopted by the College is **Knowledge is everybody's right**.

The academic, social and cultural programmes of the college are designed to achieve this philosophy.
